

The District 2 Education Coaching Team (or D2FCT) is a group of AΣA sisters who have volunteered to help chapters in District 2 with financial matters. They work with the Treasurer and the Financial Advisor in each chapter to help resolve issues and to keep our women informed of new developments and techniques.

The FCT members are dedicated to getting to know each chapter and their unique recruitment environment. By maintaining regular contact, they are able to provide your chapter with customized support, including:

Budgeting and Billing

- Creating Chapter Budgets
- Setting up Semester Billing
- Determining dues accounts for the chapter
- Finding new fundraising activities

Collection of Dues

- Implementing 5-15-25
- Setting up BillHighway accounts
- Creating dues contracts
- Creating individual payment plans
- Collecting from past-due alumnae

General Chapter Operations

- Ordering supplies for the chapter
- Using the BillHighway system
- Managing payment plans

A Finance team member should already be in contact with your Treasurer and / or Finance Advisor.
